

Ozon.ru

The screenshot displays the Lighthouse tool interface for auditing the website www.ozon.ru. The top bar shows various navigation icons and the Lighthouse logo. A notification states: "The Lighthouse tool provides links to content hosted on third-party websites." with a "Don't show again" button. The browser address bar shows the URL "https://www.ozon.ru/?__rr=1". Below the address bar, four circular progress indicators show scores: 99, 100, 70, and 42. The main section is titled "PASSED AUDITS (21)" with a "Show" button. Below this, a large green circle displays the score "100". The section is titled "Accessibility" and contains a paragraph: "These checks highlight opportunities to [improve the accessibility of your web app](#). Automatic detection can only detect a subset of issues and does not guarantee the accessibility of your web app, so [manual testing](#) is also encouraged." Below this, a section titled "ADDITIONAL ITEMS TO MANUALLY CHECK (10)" with a "Hide" button lists three items: "Interactive controls are keyboard focusable", "Interactive elements indicate their purpose and state", and "The page has a logical tab order".
